Celebrating a decade of redefining compact SUVs, the Kwid 10th Anniversary Limited Edition brings style, innovation, and bold design together in one striking package. With exclusive accents, a refreshed look, and features that elevate every drive, this special edition is a true tribute to 10 years of driving dreams - built to stand out wherever the road takes you.

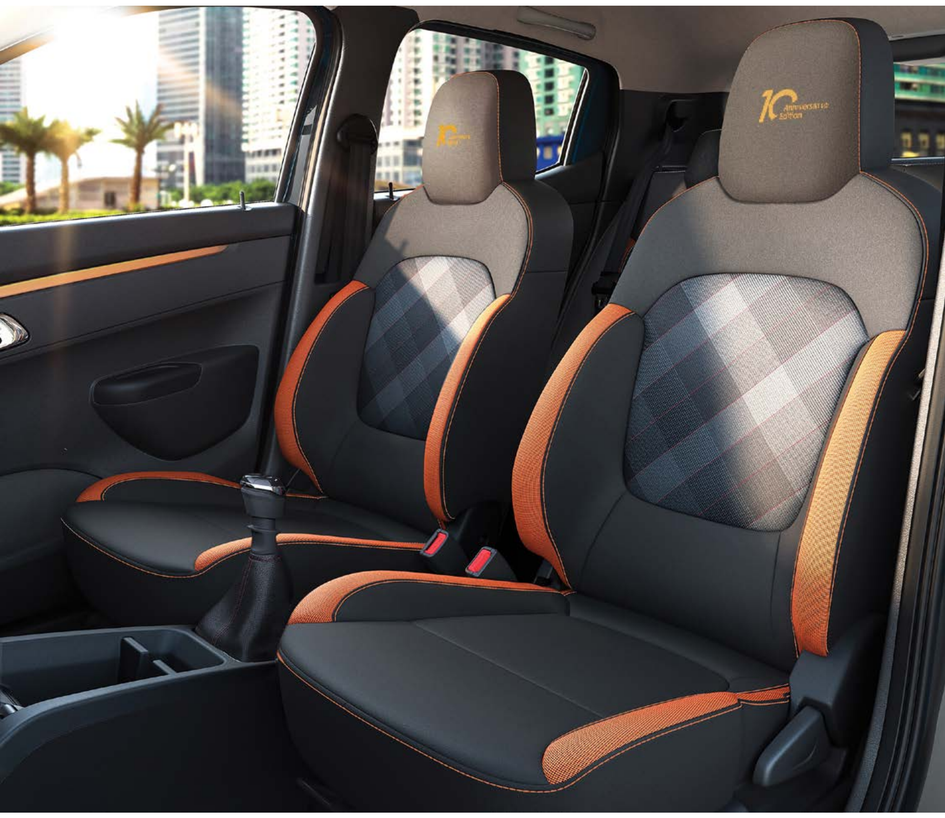

In 2016, the Renault Kwid arrived in South Africa and changed the way many people thought about compact SUVs. Stylish, affordable and full of personality, it quickly became a favourite for first-time drivers, young professionals, side-hustlers and families looking for smart, reliable mobility. Ten years later, the Kwid has become more than just a car on the road but has become a part of South African life, everyday car stories, milestones and moments of progress.

To celebrate this incredible journey, Renault South Africa proudly introduces the Kwid 10th Anniversary Limited Edition, a tribute to a decade of innovation and unbeatable value.

human first program
safety by Renault

the human first program is a comprehensive safety program developed by Renault in collaboration with researchers, experts and fire-fighters.

because road safety is the business of all road users – be they pedestrians, cyclists or motorists – the human first program by Renault undertakes to:

1. **prevent accidents by developing safety equipment and advanced driving and safety assistance systems**

up to 32 advanced driving assistance systems/more than 60 safety systems, up to 7 airbags, child seats (Isofix), Renault's Fixe4sure solution/more than 2,000 safety-related patents filed since 1970

2. **manage accidents once they have happened by drawing on innovations developed in collaboration with fire-fighters**

QRescue/Fireman Access/more than 5,000 fire-fighters trained over the past 10 years in 20 countries throughout the world/around 400 cars given per year for their training

3. **reduce the number of accidents and their severity by investing massively in R&D**
